Bryce and I are staying in Nova Scotia! Our lease runs until August, so there's not really point in going home, especially because we want to look for a place substantially closer to the school. It's quite a trek right now.  
We are working, so everything will be good!

Thanks for letting me know, love you

What are your plans for the summer Hailey?

I expect to be traveling myself...

I'm planning on cutting you off for the summer months, no subsidy. I'm certain you will manage.

This is your Father letting you know what to expect. I wouldn't want you to be blindsided.

I am very much looking forward to kicking you some back, in the fall; picking back up my "700" to you and seeing you do your 2nd year!!!

I want you to be successful. In everything.

You always have a home with me sweetheart. No matter what.

No matter what.

I love you,

Dad
